

COMMERCIAL VENDORS

All commercial vendors wishing to set up shop at any event promoted by HCMC (Tuning Day, Race Day, Social Gathering etc) must request permission from the club's general committee and must provide their Certificate of Currency confirming that they have current Public Liability Insurance.

It is a requirement of both the Collie Motorplex and Barbagallo Raceway that all commercial vendors have their own Public Liability Insurance. The HCMC must advise the track management in advance of any commercial vendors who will be at the event and the track management must be provided with copies of their Certificate of Currency.

The President HCMC
