

Machine requirements and rider protection – please check off each item on the list below before seeing your HCMC riding instructor. If you have any questions or concerns, please discuss them with your instructor or HCMC committee member

NEW RIDERS CHECK LIST

Name: _____ / __/2025

HISTORIC COMPETITION
MOTORCYCLE CLUB W.A.

NEW RIDERS

HCMC WECOMES ALL
NOVICE RIDERS, ROAD BIKE RIDERS, FIRST TIME
ROAD RACERS

- ☐ Bikes must have mirrors and number plate removed where possible.
- ☐ All glass (except tacho and temp gauges) fully taped – your speedo should not be visible – you need to concentrate on the track, not what speed you are doing.
- ☐ Brake light must be taped over so not visible

Riders gear:

- ☐ Recommended are full race leathers or leather two-piece which zip together (the club can assist as we have some loan leathers. Please contact us prior to the day). Novice group riders only can wear kevlar reinforced rider's jeans/pants. If in doubt, please contact us.
- ☐ Must wear full face helmet
- ☐ Must wear leather gloves that cover the wrist
- ☐ Must wear appropriate boots, and
- ☐ Back protector highly recommended for Novice group, required for all other groups.

An HCMC official will scrutineer all newcomer's machines on the following important safety points and help address any issues prior to them going on track: -

- ☐ Throttle operates smoothly and fully shuts-off when released
- ☐ Brakes are effective and pads / disc in useable condition
- ☐ Chain in good condition and correctly adjusted
- ☐ Coolant / lubrication hoses and lines in good condition
- ☐ No fuel leaks
- ☐ No oil or fluid leaks
- ☐ Tyres are suitable for the event and correctly inflated
- ☐ Centre and side stand safely retracts (may require being wired or cable tied to frame)

Ride Safely Have Fun
